Against Climate  
Change**

# *Some of the powerful Women alive*

## *Today!*

**"I must say to the leaders of the world: They are not helping enough to stop the war in Syria and to help the children. Many children are dying."  
-Bana Alabed (Twitter)**

-Starting at age 7 she documented her life in Syria during the War using  
Image from Twitter

**"Be fearless, believe in the impossible, and dream like a kid."  
-Mikaila Ulmer**

-Starting around age 4, she began to raise money and awareness to help save bees.
